Seed Funding Document Support Acknowledgement:

I, Director of FOR TEST2, engage START-UP SAHAY PRIVATE LIMITED for Seed Funding Document Support. They'll provide document creation and Application support, utilizing their resources and expertise. I understand there's a fee for their services, not as government fees, Approval of the application is up to the concerned department/authorities. START-UP SAHAY PRIVATE LIMITED has not assured me of application approval.

I, understands that because of government regulations and portal, I have no objections if the process takes longer than initially committed, knowing it's just how government schemes related process works.

As I am unfamiliar with the process, I give START-UP SAHAY PRIVATE LIMITED permission to submit the online or offline application in the concerned department on my behalf, if required.
