Start-Up India Certification Support Service Acknowledgement:

I, Director of AMBUJA CEMENT SOLUTIONS PRIVATE LIMITED , acknowledge that START-UP SAHAY PRIVATE LIMITED is assisting me in obtaining the Start-up India certificate by providing consultancy services. These services involve preparing necessary documents and content for the application, utilizing their infrastructure, experience, manpower, and expertise. I understand that START-UP SAHAY charges a fee for these services. I am aware that the Start- up India certificate is issued free of charge by the government, and I have not been charged for its issuance. START-UP SAHAY PRIVATE LIMITED has not misled me regarding this matter.

I, understands that because of government regulations and portal, I have no objections if the process takes longer than initially committed, knowing it's just how government schemes related process works.

I, authorize START-UP SAHAY PRIVATE LIMITED to submit the Start-up India certificate application if required on my behalf, as I am not familiar with the process.
